

Torbay Old Wheels Club

The friendly local club

Interested in classics? Cars, motorbikes or even commercials? Live in the South Devon area? Then TOWC is the club for you.

We aim to encourage the preservation and use of historic vehicles of all types and ages by sharing our interest in a varied and friendly environment.

TOWC is a friendly, all makes classic car club based right in the heart of the English Riviera. With over 200 members and even more vehicles ranging from the early 1920s to more modern classics such as MX5s, Minis, Fords and other 1980s models. You don't even have to own a classic to join.

We organise club runs, generally one per month during the winter season, this usually ends up with a hearty lunch; we do enjoy our food almost as much as we enjoy our cars! Shows and meets take up the summer months, and we attend many between us. New friends are always welcome on any of our planned activities.

The highlight of our year is always the Riviera Classic Car show, held in partnership with Paignton Festival, organised and hosted by our team of volunteers, this event has become a "must do" for many classic owners far and wide, with a range of cars from the early 1900s to modern supercars and vehicles of special interest. Come and enjoy the experience right next to one of the best beaches in Devon.

The last Thursday in every month sees the TOWC meeting night where we have talks, quizzes, games and of course run through club business. Our club has no committee, the members make the decisions so everyone gets a say in how the club is run. This meeting is where you will hear what is going on and what we are planning to do. There is usually a raffle with motoring or food and drink related prizes.

Why not join us at the Blagdon Inn, Totnes Rd, Paignton,
TQ4 7PW. from 7:45pm

As well as enjoying the social side of things the club is a great way of sharing advice on the “nuts and bolts” of our hobby. We have a number of experts on hand.....

So if we can't help immediately we can probably point you in the right direction!

We donate to Paignton Festival from the proceeds of the Riviera Classic Car Show to help local charities and community organisations. Since the first show in 1994 we are proud to have raised over £45,000

We also get out and about joining with other clubs, supporting their shows, runs and social events. Skittles evenings, “Drive it” day and club stands at local events are typical examples. There is usually more happening than one person can attend so you will have lots of options for which event to go to.
